Due to the unique nature of these rooms and the interconnectivity of each prop and puzzle, should one of your guests steal or break one of the items, that room must be shut down for the duration. We cannot carry backup on each room so we have to bring the room back to our offices to repair or replace items. It is suggested that you may have some volunteer monitors to ensure nothing is taken. You may choose to have advance signups or make it first come, first served. Up to six people per room have up to 15 minutes to solve the puzzle. If possible, volunteers are requested for the teardown at end of event
