BATH BOMB KITS

Art meets Beauty meets Science.

Creative souls will love The Party People Bath Bomb Kit because it allows them to make a bath bomb that 100% theirs. This kit comes with everything you need to make six fizzy bath bombs, including cellophane bags, and hang tags. Great for parties, bonding days, or just because, this kit is a fun and goof-proof project whether you're a DIY queen or a first-time crafter. With five different scents and colors to choose from, made with all-natural formula and essential oils, experimenting with your inner kitchen beautician has never been easier.
