## PSYCHIC FAIRS

### TAROT CARD READERS

Tarot card reading is one of the oldest and most well known forms of “fortune telling”. The tarot card reader will use a deck of cards to help the person being read find the answers to any questions the person might have in the areas of life, love, career choice, etc... The average reading takes approximately 10 minutes.

### PALM READERS

Palm reading is a practice that dates back approximately 5000 years. Greek, Chinese, and Egyptian scholars considered the hand to be a reflection of the inner self. Your palm reader uses the lines and mounts on the hand to draw” a map of the person’s life. The average reading takes approximately 10 minutes.

### NUMEROLOGISTS

Numerology forecasts are made by using the numbers in one’s birthday and the numbers represented by the letters in one’s name. After mapping out obstacles, strengths, and weaknesses that mold a person’s life path, the numerologist can answer questions dealing with romance, career, health, wealth, and happiness. Readings take approximately 10 minutes.

### RUNE READERS

Runes have been used in Europe for over 2000 years. The participant asks a series of questions and then proceeds to select, at random, a number of runes (lettered tiles). The tiles are then “read” by the rune reader using the specific definition associated with each tile. Readings take approximately 3-5 minutes.

## BINGO

## MURDER MYSTERIES

Our Murder Mystery Party is an evening of intrigue, humor, and deductive reasoning in which guests attempt to solve a murder that takes place before their eyes. This quality program involves all of your guests, starting as attendees of a fictitious event, to witnesses of a crime, to deputized detectives assisting our crime solver in catching the perpetrator.

## CARICATURE ARTISTS

Our caricature artists will make your event a blast! In just mere moments, our artists will sketch hilarious cartoon pictures of you and your guests. Kids are enthralled, adults are entertained, and everyone leaves with a caricature as a party favor. Whether your event is corporate or private, caricatures lend the perfect touch.
