# DRIVE-IN

**Looking for fun activities for the whole family?**

Why not bring movie night to the family with our portable Drive-In Theater. We provide the outdoor screen, the projector, and the sound system. With our F.M. transmitters family's can stay in their vehicles and just tune into the movie with their car radios staying safe distances from one another.

For once people are now encouraged to sneak as many snacks as they can to the theater

- 150, 200, or 350 Square Foot Video Screen
- Video Projection System for DVD or Blu-ray
- F.M. Transmitters
- 3000 Watt Sound Systems
- Staffing
- Full Insurance Coverage
